

# SYSCO SUSTAINABLE INTEGRATED PEST MANAGEMENT PROGRAM

## CERTIFICATE OF SUPERIOR AUDIT ACHIEVEMENT

*Jasper Wyman & Son*

Has completed the SYSCO Sustainable/Integrated Pest Management audit at their Cherryfield, Maine and Deblois, Maine locations on October 22, 2007.

We appreciate the participation in this program that is intended to promote environmental stewardship by protecting ecologically sensitive areas, improving air, water and soil quality, reduce, reuse and recycle resources, conserve energy and minimize agrochemical inputs.
